The Kuiper Belt

Things to do

Mining

Swimming in the air!!

Walking to planets

On the kuiper belt it will be very cold about under $-23c$

But you are lucky because we have some new jumbo polar fleeces and some red-blue

Pom-pom hats and the hotels

Will have some specialized heating under the floor.

How long will it take?

You will be traveling in a rocket for one month. there will be lots of shops on board and you will entertained the hole way with 10 movie cinemas and popcorn but to stay fit you will have a few laps around the course a day to keep fit. There will be lots of Nintendo's Wii's and computers. And have a fun time!!!!

**Have a
great time
at the
kuiper belt.**
